Our Sevilla is a quaint home perfect for a small family or empty nesters, do not be fooled by it's size, it still features many of Century Homes custom touches. In the Sevilla you will find a spacious Master Suite complete with full size shower and roman tub, walk in closets, a great kitchen which features and island. The garage is oversized and the laundry is interior along with many oversized storage areas and walk in closets. The nook area alongside the great room can be used for dining or as a sunroom or home office, the possibilities are endless with this cozy home.
