Move right in to this 4 bedroom/2.5 bath Beachwood ranch home and enjoy first floor living at its finest. Many updates including interior paint, luxury vinyl tile and all new energy efficient electric panels in 2019. New water heater 2020. This lovely home features a large eat-in kitchen with breakfast bar, first floor laundry for your convenience and a cozy family room which opens to the back deck overlooking the spacious yard. Lots of natural light flows into the living room/dining room through the picturesque windows facing the naturally private backyard. Bedrooms 3 and 4 feature an accordion style room divider, which allows for a variety of room dimensions and uses. In the heart of Beachwood, this home is ideally located and close to shopping, dining, schools, medical facilities, the aquatic center, tennis courts and more.
